AN OLD COLORED CONGREGATION Members of Wesley Zion Celebrating their Fifty-first Anniversary,

The members of the Metropolitan Wesley Zion Church (colored) on D street, southwest, are celebrating the fifty-first anniversary of the foundation of that church. Appropriate services were held yesterday, Bishop Jones and Bishop Johnson being the speakers. A series of literary entertainments will be commenced this evening. Professor S.

G. Brown will read a paper on "The Origin of the Church:" Tuesday night, Miss Julia Mason, "Woman;" Wednes-day night, Miss Mattie Bowen, "Our Church:" Thursday night, Miss Mamie Dowling, "Our Future;" Friday night, Miss Addle Bowen, complimenting the pastors of the church; also a paper by Miss Bertle Brooks complimenting the bishops who have had charge during the past half century. The Killing of Henry Green,

An investigation was held yesterday at the morgue over the body of Henry F. Green, the colored man who was killed by a Pennsylvania train at the intersection of First street and Virginia avenue on Saturday night. It was found that no one was to blame for the secident but Green himself, as the en-gineer took every precaution to give the customary alarm. Coroner Patter-son gave a certificate of accidental death, and the body was removed to 611 First street southwest.

His Finger Cut Off,

George Clinton, a young colored boy, while playing with a cutting machine in a livery stable on Sixth street southcast yesterday afternoon, had one of his fingers completely severed from his hand. Dr. Roberts dressed the wound. George Clinton is a son of Officer Clin-

Thurp's Excellent Tonic, The unexcelled—that famous Old Ryc Berkeley Whisky—is the leading brand of pure liquor to the National Capital, and can only be had at its headquarters, 818 F street northwest, of Mr. James Tharp, with copyrighter."

MIND-READING FEATS.

Interesting Tests Made by Mr. Brown Before a Large Audience, Mind-Reader J. Randall Brown performed a number of remarkable feats before a large audience at the National Theatre last night. He selected a committee from the audience to go upon the stage and then proceeded. The committee selected consisted of Mr. H. D. Barr, Major W. H. Michael, Judge O. D. Barrett, Colonel James Fitzgerald, Mr. R. A. Frare and Dr. J. Beer-

man.

By means of a copper wire stretched from the stage to the gallery an interesting feat was accomplished. Com-nitteeman Barr went to the latter place and held one end of the wire to his forehead. The stage end was held in a similar manner by Mr. Brown. Mr. Barr was then told to think of the number of his watch, and the mind-reader marked on the blackboard 3510, the number he had thought of. Mr. Brown said he could perform the same feat successfully at a distance of several miles. Other illustrations and a series of spiritualistic manifestations closed the evening's performance.

NOT THE GUN.

Harrison's Denial About a Pistol Found by the Police. On Saturday afternoon a revolver was found at the home of Mrs. Julia Barnett, No. 815 New Jersey avenue, which was thought by the officers to be the one with which James Harrison shot

her. The weapon was shown to Har-rison at the District jult yesterday, and he very positively denied that it was the one he had used. He stated very plainly to a CRITIC reporter on the day that Detective Mahon brought him from West Virginia that the revolver he shot Mrs. Barnett with was one of the old style single-barreled guns. He remembers distinctly that he had it when he went into the Baltimore and Ohio yards. and thinks that he must have lost it and thinks that he must have lost it when he jumped on the train near Germantown. The negro's story is believed to be true by all who have heard it. He admits the shooting, and no reason can be given for his telling a falsehood about the revolver.

FORTY-FIVE USEFUL YEARS.

McKendree Church Anniversary-Two of the Original Members Present, The forty-fifth anniversary of McKendree M. E. Church, on Massachusetts avenue, was celebrated at the forenoon and eventide services yesterday. At the former Bishop Hurst delivered the anniversary address. The pastor, Rev. C.Herbert Richardson, occupied the pul-pit in the evening and preached a his-terical sermon. He said that the church was organized as a mission in an old carpenter shop, away back in 1844, by Rev. F. S. Evans. The Bishop's address was listened to by Zephaniah Jones and George T. Lang-ley, two of the original members of the church. On Wednesday evening a reminiscent meeting will be held and on Friday a sociable.

Cable Car Crowded.

The seventh-street cable cars did a rushing business yesterday, and early in the day it was necessary to put on several additional trains. It is now believed that the entire complement of forty cars will be in full operation be-fore May I. Many of the old horse-cars will be sold to out-of-town lines.

cars will be sold to out-of-town lines.

Poor girl, poor girl, so young, so fair,
And doomed to die so soon;
The seeds of death are scattered there,
And long before life's noon
The grass will grow upon her grave;
So friends in sorrow say,
And think no power on earth can save
The dear one from decay.
Why do they think and talk like this?
Simply because some of her family have
died from scrofulous poisoning of the
blood, and they see indications of the same
taint in her. Scrofula of the Lungs, commonly called Consumption, is a terrible
disease, and it is not to be wondered at
that they dread it. But it can be conquered. The poison can be driven out of
the blood. The taint can be eliminated
from the system. Dr. Fierce's Golden
Medical Discovery has cured thousands of
persons who were expected to find early
graves, because "there was scrofula in the
family." "Golden Medical Discovery" is
warranted to remove all blood-taints from
whatever cause arising. It cures all
scrofulous, skin and scalp diseases, or
money paid for it will be returned.
